Fitness Reimbursement: Be Part of It!

Interested in becoming a participating facility?

The UnitedHealthcare® Wellness Fitness Reimbursement Program rewards eligible UnitedHealthcare members for visiting a participating fitness center or Y® on a regular basis. The program is available to select UnitedHealthcare members residing in all 50 states. Currently, nearly 10,000 fitness facilities across America participate in UnitedHealthcare Wellness Fitness Reimbursement. Your facility can be part of the action!

How it works for members

- ▶ Eligible members visit the Fitness Reimbursement website and print an Activation letter which they bring to your facility enroll in the program.
- ▶ Members check in every time they visit your facility. They are reimbursed \$20 per month for every month in which they visit at least 12 times.

How it works for you

- ▶ Once a month, you report enrolled members' attendance.
- ▶ We remit \$20 reimbursements to the bank accounts of members who visited your facility 12 or more times during the month.
